Prof Graeme Houston
University of Dundee, Dundee
- 16.45 **Discussion**
- 17.00 **Close**

Two separate one hour workshops will be conducted during the afternoon session. Participants can choose to go to either of these sessions. Both the workshops are aimed towards staff who are already involved in Cardiac imaging and also towards complete beginners.

Workshop 1 - CMR Physics. This will be conducted by experienced CMR Physicists.

Workshop 2 - Basic CMR image acquisition. This will be conducted by experienced CMR Radiographers and Physicists.
